Crime Meeting report 🚔

Marla reported on crime meeting and reviewed her minutes. All agreed we need more police presence. The officers pointed out that most of the crime is car break-ins. The importance of locking your cars and not leaving valuables inside was stressed. The uptick in prostitution along Dixie Hwy and the homeless hanging around CVS and Havana was not brought up at the meeting. The website to register your surveillance cameras with the city is [wpb.registry.com](http://wpb.registry.com). Sabra will post this to our Facebook page as soon as she gets verbiage.

Fix Flagler Drive 🚗🚧🌊

Sabra reported that a new bike and road plan is being prepared by Wen Deng. Shanon said the grant the city has is for a very specific design. Britt suggested we pack the January commission meeting with 100's of people each saying a couple sentences on the importance and urgency of getting Flagler Drive fixed. Shanon said the city needs to address funding issues.
